LEADERSHIP IN TRAINING

LEADERSHIP-IN-TRAINING (LIT)

For students who have finished grade 8 or 9 (and have not turned 15 by the first day of camp)

Full Day- 8:45-3:15

Our Leadership-in-Training (LIT) program gives students an opportunity to experience an ideal environment with a balance of interactive learning/skill-building and fun. Our LIT program enables students to develop team building skills, leadership skills, and collaboration skills with the support of the director, head staff and specialists. Those who successfully complete the two or four week program will receive a leadership certificate to include with their resume.

LIT's support and learn from head counselors and counselors while interacting and participating with campers at the various specialties and counselor initiative programs at camp. LIT's receive regular feedback and are provided with opportunities to reflect on their learning and to implement their learning. They also develop their leadership skills through training sessions and presentations from staff. Topics include- child development, program planning, problem solving, behaviour management, risk assessment, and more.

The LIT program requires attendance at our pre-camp sessions (dates to be determined). Daily attendance is expected for the two or four week sessions.

Who is eligible and who should apply?

- Students who have finished grade 8 or 9 (and are not 15 by the start date of camp)
- Students who have the maturity necessary to contribute to and benefit from this excellent program

PLEASE NOTE- We take LIT placement very seriously at camp. Successful LITS are those who are up for the challenge of learning, becoming a leader, having fun, working with children, making a difference and a contribution, and most of all, truly want to be at camp.
